Scholastic Book Fair

The Scholastic Book Fair was once again a success. Thank you to those that helped set-up, serve food, assist customers, pack up books, and to everyone who brought snacks for the fellowship between services!

Flu Clinic

The FDL health department will be at St. Paul's on Tuesday, October 30th for the annual flu clinic. Students in grades K-8 are eligible for the flu immunization. Consent forms will be sent home soon.

School Cleaning Help

Our custodian will be unable to clean school the week of Oct. 12th -Oct. 19th. We are looking for volunteers that would be willing to help out by cleaning school a day or two that week. This would be a great way for a family to take pride in their school and a great way for your kids to see what goes into cleaning the school each night. If you would be able to volunteer, please let Kari Pieper know.

Special classroom visitors

On Oct. 17th, someone from the FDL Agricultural Ambassador program will be visiting each classroom to educate the students about different aspects of agriculture.

On October 24th, Amy Beyer, a Prevention Educator from Agnesian, will be visiting each classroom to share some good information with the students.

Singing Schedule Update

Reminder! St. Paul's will be holding a Mission Festival Sunday on Sunday, October 21st. There will be one worship service in the gym at 10am with a potluck to follow. There is a food sign-up sheet in the narthex of church.

All students (grades 3K-8) will be singing for this special service!

No School

There will be no school on Friday, October 5th. The faculty will be participating in some training which is required for the School Safety Grant.

There is also no school on Oct 25-26. The faculty will be attending the WI Lutheran State Teachers Conference in Milwaukee.

Trunk or Treat

St. Paul's will be holding a Trunk or Treat event on Wednesday, October 24th starting at 5:30pm. A letter has been sent home with more information. We would love to see the parking lot full of decorated trunks! Please let your friends, family, and neighbors know about the event. We would love for it to be a great outreach tool for our church and school.

A lot of help is needed for the event to run smoothly. If you are able to help out, please talk to Dania Wickert.

Security System

The new security system is now up and running. Access control has been installed on the ramp door, the lower entrance, and the recess/bus door.
